

European Medical Laser Association Newsletter

Official newsletter for EMLA members

Issue: 2 / 2009 (February)

Dear EMLA Members,

Last EMLA Newsletter issued in January 2009 brought basic info regarding the 14th International EMLA Congress Laser Prague 2009. It was my pleasure to see that this announcement resulted in sending numerous congress applications and paying your membership fees.

Let me remind those, who might still be considering participation, that time is short and deadlines are in sight. It would be a pity to pay more, or to miss sending your abstract in time.

As a sister society meeting of the 10th Jubilee World Congress of International Society of Dermatology, EMLA has got a unique opportunity to join a forum of about 5000 participants, needless to say that May is the very best month for visiting the beautiful city of Prague.

I am looking forward to meet you

Premysl Fryda
Chief Executive Officer
